

Want to Be a Health Care Professional?

RURAL HEALTH SCHOLARS PROGRAM MAY BE FOR YOU

- OBJECTIVE:** Give students from rural backgrounds that have an interest in becoming health professionals a head start in the college preparation they will need for admission to all health professional schools.
- WHO SHOULD APPLY:** Any student interested in becoming a doctor, nurse, dentist, physical therapist, veterinarian, or other health Care professional
- LOCATION:** Campus of the University of Alabama.
- DATES:** **MAY 30 – July 2, 2010**
- QUALIFICATIONS:** Completed 11th Grade
Have a “B” average and at least a 21 ACT score with writing score
Reside in a Rural Alabama for at least eight years.
- PROGRAM COST:** Tuition, room and board will be provided at no cost to participants. The only cost is \$35 application processing fee if selected to participate.
- COLLEGE CREDIT:** Students are able to take two college courses (Chemistry and Creative Writing) at no academic risk. A student who earns the grade of “A, B, or C” in each course will be awarded credit.

APPLICATION: Request an application from your high school counselor or our website www.cchs.ua.edu/crm/rural-health-leaders-pipeline/health-scholars. **Applications should be postmarked by March 15.** Decisions on applicants will be made by May 1. Send all correspondence to address below.
